PROJECT LEVEL

1. What is the total land area?

7.98 Acres

2. What is the project launch date?

June 2026

3. What is the project handover date?

June 2031

4. How many towers the project will have?

3

5. How many floors per tower?

G+50

6. How many units in total?

1499

7. How much is the total open space?

75%

9. How many entry and exit points?

2 (1 Podium Entry & 1 Basement Entry)

10. Will there be any vehicular movement on the podium?

No

11. STP & WTP locations in the project?

STP – B4, B5
WTP – B2,B3

12. DG setup location?

DG Yard – B2, B1

13. Will the terrace be accessible?

Only for viewing deck

14. How many basements?

5

15. What is the parking allotment logic for sales pitch?

Higher floor – higher parking floor too
For eg. 45th floor house will have B1 & 5th floor will have B5
Corner units on priority – 3 Car Park

16. How is the traffic flow plan (Single straight ramp / circular ramps) in the basements?

From the main gate we go down the tower A we follow circular.
From the Tower C entry we follow straight ramp

17. How many borewells are in the project?

–

18. What are the different configurations?

Premium 3BHK
1970 sft – East, West & North
Luxury 3BHK
2085 sft – North
2115 sft – East
Premium 4BHK
2535 sft – East & North
2540 sft – East & West
Luxury 4BHK
3015 sft – East & West

19. Will there be municipal water connection? (Manjeera / Krishna)

Yes

20. What is the common area loading factor?

32%

21. What is the width of the front road?

–

22. Refuge area identification

Tower – 18, 28, 37, 47 floor

23. What would be the height of the basements?

Basement 1 – 5 m (~16’5”)
Basement 2,3,4 & 5 – 3.5 m (~11’6”)

24. Overhead water storage capacity?

750 KLD

PROJECT LEVEL

25. How many educational institutions are there nearby?

People's School of Excellence (7 mins away)
Goodwill High School (9 mins away)
Queens Global School (9 mins away)
Meridian School (15 mins away)
Osmania University (15 mins away)
DPS Nacharam (22 mins away)
Hyderabad Public School (22 mins away)

26. How many hospitals are around?

Srikara Hospital (3 mins away)
Guru Nanak Care Hospital (5 mins away)
Bristlecone (7 mins away)
TX Hospital (7 mins away)
Rainbow Children Hospital (8 mins away)
Apollo Hospital (10 mins away)
KIMS Hospital (15 mins away)

UNIT LEVEL

27. How much is the distance between towers?

20.45m or 67’

28. How much is the distance from other structures?

Different for each unit

29. How much is the UDS?

S.No	Saleable Area (Sq Ft.)	UDS (Sq.Yard)
1	1970	22.35
2	2085	23.65
3	2115	23.99
4	2535	28.75
5	2540	28.82
6	3015	34.2

30. How much is the door height & width?

S.No	Type	Description	Width(mm)	Height(mm)
1	MD	Main Door	1500	2400
2	MD1	Main Door	1200	2100
3	D1	Bedroom Door	1800	2500
4	D2	Walk-in Closet	1600	2300
5	UD	Utility Door	2000	2600
6	SD	Sliding Door	1400	2200

31. What would be the size of the windows?

S.No	Type	Description	Width(mm)	Height(mm)	Sill (mm)	Lintel (mm)
1	W1	Sliding window	3100	2300	170	2470
2	W2	Sliding window	2600	2300	170	2470
3	W3	Top hung window	1000	2300	170	2470
4	W4	Sliding window	2400	2300	170	2470
5	W5	Sliding window	2300	2300	170	2470
6	W6	Sliding window	2200	2300	170	2470
7	W7	Sliding window	2100	2300	170	2470
8	W8	Top hung window	2000	2300	170	2470
9	W9	Sliding window	1800	2300	170	2470
10	W10	Sliding window	1500	2300	170	2470
11	W11	Casement window	750	2300	170	2470
12	W12	Sliding window	1800	1350	112	2470
13	W13	Sliding window	1500	1350	112	2470
14	W14	Casement window	750	1350	112	2470
15	KW1	Kitchen window	2000	1200	127	2470
16	KW2	Kitchen window	1800	1200	127	2470
17	KW3	Kitchen window	1600	1200	127	2470
18	KW4	Kitchen window	1000	1200	127	2470
19	V	Ventilator	750	1150	132	2470
20	V1	Ventilator	750	1150	132	2470
21	V2	Ventilator	750	2100	870	2470

CLUBHOUSE

32. How big is the clubhouse?

74,000 sft

33. How many floors are there in the clubhouse?

G+5

34. What is the floor wise plan of the clubhouse?

Ground Floor

Banquet Hall - 250 pax
Banquet Hall-1
Pre-Function/Banquet Hall-2

First Floor

Gym
Yoga/Aerobics

Second Floor

Double Heighted Indoor
Badminton Court - 3
Futsal Court - 1

Fourth Floor

Salon & Spa

FIFTH Floor

Big Living Room with Deck - 3
Guest Rooms - 10

Terrace Floor

Swimming Pool
Kids Pool
Pool Deck

35. How many guest rooms will be provided?

10

36. How many banquet halls?

2

37. What is the capacity of the banquet halls?

250 pax

URBAN CORRIDOR

38. How big is the urban corridor?

~12304 sft

39. What all facilities / amenities are available in the urban corridor?

Entrance Lobby
Indoor Games
Clinic
Physiotherapy
Co Working
Tuition Room

40. What is the height of the lobby / urban corridor?

20'8"

LANDSCAPE AMENITIES

41. How big is the open green space?

~30,000 sft

42. Is there any pet park in the community?

Yes

SPECIFICATIONS

43. What would be the corridor width?

2.2 meter

44. How much is the external wall thickness?

250 mm

45. What is the size of the tiles / marbles?

4 BHK – Marble, no standard sizing, put as slabs
3 BHK – Vitrified tiles, 80 x 160 cm

46. How much is the net ceiling height (after flooring)?

2.93 M or 9’7”

47. What would be the thickness of the glass wall (curtain wall)?

There’s no curtain wall in this project

48. Which brand sanitary fittings will be provided?

Reputed make

49. Will there be a piped gas connection?

Yes

50. Will you do the copper piping (AC)?

No
